

The Birks Cinema, Aberfeldy

Nestled in the main square of the attractive town of Aberfeldy in Highland Perthshire, sits the award winning and beautifully restored art-deco cinema, described as "a Gem of Highland Perthshire".

This fully refurbished single-screen cinema offers a film-tastic 100-seat auditorium with spacious, comfortable seating and state-of-the-art digital projection and sound system.

Audiences can enjoy the latest movie releases as well as broadcast live events (theatre, opera, ballet), while enjoying a glass of local beer or wine too!

The welcoming cafe-bar offers a wide selection of coffees, teas, local cakes, snacks (popcorn and sweets), as well as an enticing range of soft-drinks, beers and wines.

Our mezzanine level hosts live Celtic acoustic music on Thursday evenings – check our website for details of other events. As a community-owned charitable venture, your visit makes a real contribution to Highland Perthshire too!

For film and event listings, tickets, film reviews and the latest movie news, plus the full story behind the restoration of the Birks, just follow the links here. Don't forget to find out about our fantastic value family tickets or our much loved "Couples" seats!
